Registrar.

COMPTROLLER'S OFFICE, BANGALORE.

SUBJECT.—Overdrawals by Local Bodies.

Cir. No. 132—*T. A. D. dated* 14*th August* 1928.

Instances have come to notice wherein Treasury Officers have cashed cheques issued by Local Bodies even where there are no balances at their credit in the Treasury with which they bank on the authority of the Note (revised) to Rule 3 of the Municipal Manual, Part II—Accounts as amended by Corrigenda No. 5 of 11th November 1927. This is irregular.

This rule in the Municipal Manual should not be construed as empowering Treasury Officers to make payments out of the Treasury to Local Bodies having a Banking Account with them even when there are no balances at their credit. The powers of the Treasury Officers to make payments on behalf of Local Bodies are restricted to the available balances at their credit. They should not make any payment in excess of the balance at credit of the Local Body unless they get a special order to that effect from this office or from Government. The provision of the Account Manual referred to above merely means that an overdraft in the Banking Account or loan may be permitted in some cases but such permission has to be specifically got up by the Local Body going up to Government or this office and cannot be given automatically by the Treasury Officer.

Comptroller.
